

**POORNA PRAJNA INSTITUTE OF SCIENTIFIC RESEARCH
ADMAR MUTT EDUCATION FOUNDATION, NO. 4, SADASHIVNAGAR
BANGALORE 560 080**

POORNA PRAJNA POST-DOCTORAL RESEARCH POSITIONS

POORNA PRAJNA INSTITUTE OF SCIENTIFIC RESEARCH has been established by the Admar Mutt Education Foundation. This Foundation is a trust sponsored by the Admar Mutt Education Council, a registered Society, wholly devoted to the cause of Education. The Society is presently running 20 Poorna Prajna Education Institutions which have earned a name for themselves for providing quality education at school and college levels. The **Poorna Prajna Institute of Scientific Research** will be home for pursuit of internationally competitive research in basic sciences, an area of India's recognized strength. The Advisory Committee for the Institute comprises eminent senior scientists of our country.

In the first instance, applications as well as nominations are invited for the award of **four prestigious Post-Doctoral Research positions**, two of which will be **Post-Doctoral Fellows** and two will be **Research Scientists**. Fresh doctorates can apply for Post-Doctoral Fellowships with the initial consolidated monthly stipend of Rs 8000/-. Candidates with at least 2 years' post-doctoral experience will be eligible to apply for the positions of Research Scientist, which will initially carry a consolidated monthly stipend of Rs 12,000/-. The tenure of all **four** positions will be one year, extendable for two more years after review of research performance at the end of each year. The stipend for all post-doctoral fellows as well as research scientists will be raised by Rs 500/- per month after every year of acceptable performance.

Selected candidates will be provided with modest hostel-type accommodation and a contingency grant to support their research. In case accommodation is not provided, an allowance of Rs 1000/- per month will be given.

Candidates may indicate their speciality in any of the following disciplines.

- 1) Mathematics
- 2) Theoretical Studies in Physics, Chemistry or Biology
- 3) Materials Science
- 4) Information Science

The Indian Institute of Science, Bangalore and some other leading centres of science have offered to provide facilities to selected candidates for carrying out their research. Arrangements will be made for the association of these candidates with eminent professors. This arrangement will continue until Poorna Prajna Institute of Scientific Research develops its own infrastructure which will not be later than July 2000.

APPLICATIONS/NOMINATIONS are to be submitted to the **Hon. Director, Poorna Prajna Institute of Scientific Research, Admar Mutt Education Foundation, No. 4, Sadashivnagar, Bangalore 560 080**. There is **no** prescribed form. Applications/nominations are to be accompanied by bio-data containing all essential information such as: Name & Address; Date of Birth; Marital Status; Educational Qualifications (mention University and Grade or % marks obtained) from the SSLC level to Doctorate (specialization in any of the disciplines mentioned above); Academic Distinctions; Research Publications/Reports; Synopsis of the Ph D thesis; Names of two Referees acquainted closely with the research of the applicant/nominee and any other relevant information. **Merit will be the sole criterion for selection and those with the brightest track record only may apply/be nominated.**
