Applications are invited for the following posts for a three-year DAE-sponsored Project on 'RELATIVISTIC MANY-BODY THEORY OF PARITY NONCONSERVATION IN ATOMS'.

1. JUNIOR RESEARCH FELLOW
Qualifications: M Sc in Physics, Chemistry or Mathematics.
Stipend: Rs 2500/- per month for two years and can be enhanced for the third year in accordance with DAE rules.

2. RESEARCH ASSOCIATE
Qualifications: Ph D in Theoretical Physics or Theoretical Chemistry with a knowledge of relativistic quantum mechanics, elementary many-body theory and knowledge of Fortran programming.
Stipend: Rs 3500 per month. However, a higher amount can be paid in accordance with DAE rules to candidates with several years of post-doctoral experience.

Candidates interested in applying for the above mentioned posts should send a copy of their curriculum vitae/bio-data and two letters of reference to Professor B. P. Das, NAPP Group, Indian Institute of Astrophysics, Koramangala, Bangalore 560 034 by 15 October 1997.

ASTRA–CCMB SYMPOSIUM ON MOLECULAR ASPECTS OF MICROBIAL PATHOGENESIS

Date: 11–13 January 1998
Place: Centre for Cellular and Molecular Biology, Hyderabad

Astra Research Centre India (ARCI, Bangalore) and the Centre for Cellular and Molecular Biology (CCMB, Hyderabad) are jointly sponsoring the above symposium on the campus of CCMB at Hyderabad, scheduled for 11–13 January 1998. The symposium is intended to bring together scientists from Sweden and India working on infectious microorganisms, to share their research findings which may have new opportunities for developing drug or immunotherapeutic interventions for infectious diseases. The symposium is open to participants from the R&D laboratories of pharmaceutical industry and academic institutions. However, the number of registrants is limited to thirty (30) due to limitation of space. Applications are invited from interested individuals to reach one of the addresses given below on or before 15 October 1997. Please send your application on your company/department letterhead. Selected candidates will be notified before 15 November 1997. There is no registration fee but the participants are required to make their own travel and hotel reservations.

Late date for receiving applications: 15 October 1997.
