

**INDIAN INSTITUTE OF SCIENCE
BANGALORE 560 012**

Applications are invited from Indian nationals preferably below the age of 35 years for faculty positions at the level of **Assistant Professor in the Department of Biochemistry**. The selected candidates are expected to develop and maintain independent research in any chosen area of Biochemistry as well as collaborate with other faculty and contribute to the teaching programme. Sophisticated instruments like Confocal microscope, FACS, MALDI Mass spectrometer, Biacore, DNA and protein sequencers are available within the Biology Division.

The candidates should have Ph. D. degree and about 3 years of postdoctoral research experience. Those who wish to develop new programmes of research in areas other than those in which they are presently working, or whose interests bridge basic and applied research are also encouraged to apply. Small start-up funds could be provided. The total emoluments at the minimum of the scale (Rs 3700-125-4590-150-5700, scale under upward revision) are around Rs 132,000/- per annum. Interested persons should send: (i) curriculum vitae, list of publications, selected reprints and name and address of three referees with their full address including Fax and e-mail address and (ii) a brief description of proposed research programme to Prof. M. Vijayan, Chairman, Division of Biological Sciences, Indian Institute of Science, Bangalore 560 012, India, within two months of the appearance of this advertisement. The referees may be requested to send their assessment directly to Prof. M. Vijayan (**e-mail: dcbio@admin.iisc.ernet.in, Fax: 91-80-3340416**).

Candidates are welcome to contact Prof. M.R.S. Rao, Chairman, Department of Biochemistry for further information (**e-mail: mrsrao@biochem.iisc.ernet.in** or by visiting the homepage: **URL <http://www.iisc.ernet.in>**)
