2. Bharat Heavy Electricals Limited, Hyderabad
3. Godrej Soaps Limited, Mumbai
4. Hind High Vacuum Company Private Limited, Bangalore
5. Hindustan Latex Limited, Hyderabad
6. Tata Research, Development and Design Centre, Pune

INDIAN INSTITUTE OF TECHNOLOGY, KHARAGPUR

Applications are invited for two posts of Senior Research Fellow/Junior Research Fellow for the research project 'Developments in computational methods for free-surface naval hydrodynamics problems, bow wave breaking and bow wave vortices generation' sponsored by the Naval Research Board in the Department of Ocean Engineering and Naval Architecture. The fellowship range is Rs 5000-6500/- per month depending upon the qualification and experience.

The candidates must have an M.Tech./B.Tech. degree in Naval Architecture, Ocean Engineering, Mechanical, Aeronautical or Civil Engineering, or M.Sc. in Mathematics, Physics with background in fluid mechanics in free-surface hydrodynamics will be desirable. Candidates should have a motivation to carry out research in the area of Computational Marine Hydrodynamics.

Applications on plain paper giving details of educational background and research experience, if any, should reach the Deputy Registrar, SRIC, Indian Institute of Technology, Kharagpur 721 302 within twenty days of publication of this advertisement.
