COUNCIL OF SCIENTIFIC AND INDUSTRIAL RESEARCH
NEW DELHI 110 001

ADVERTISEMENT NO. 12/98

POSITION: DIRECTOR, NATIONAL ENVIRONMENTAL ENGINEERING RESEARCH INSTITUTE (NEERI), NAGPUR

Council of Scientific and Industrial Research (CSIR) is the premier industrial R&D organization in India. It has a network of 40 R&D laboratories/institutions spread throughout the country covering diverse S&T disciplines and serving a wide range of socio-economic sectors.

The Council is looking for a suitable scientist/technologist to be the Director for its nationally acclaimed National Environmental Engineering Research Institute (NEERI) at Nagpur having nine zonal laboratories situated in major cities of India. NEERI with a complement of 170 scientists, a total work force of nearly 600 and a government budgetary allocation of around Rs 11 crore per year generates nearly Rs 30 crore through undertaking of contract R&D, consultancy and other S&T services. The major programmes/activities of the Institute relate, inter-alia, to environmental monitoring, environmental biotechnology, toxic/hazardous waste management, environmental systems design, modelling and optimization, environmental impact assessment, and environment policy analysis.

The Director is the Chief Executive of the Institute and would be responsible, among others, for realizing NEERI's mission to develop it as an Institute of excellence and strive for leadership in environmental science, technology and management.

The candidate for the post must be a creative, innovative and well-established scientist/technologist of distinction and should preferably be around 50 years of age. He should possess leadership qualities covering inter-alia, a demonstrated R&D managerial ability to create an environment conducive to nurturing of high class R&D talent, a proven record of inter-personal skills and an ability to communicate effectively.

This is a contractual appointment for a period of six years or up to the age of superannuation (at the age of 60 years), whichever is earlier. The contract can be extended in exceptional cases.

The post carries a salary scale of Rs 18,400-500-22,400 (revision under consideration) plus allowances as admissible to CSIR employees, with facility to share the monies realized from external contract R&D, consultancy and rendering of S&T services. Residential accommodation is provided as per CSIR rules.

Complete and current curriculum vitae should reach the Director General, Council of Scientific and Industrial Research, Anusandhan Bhawan, Rafi Marg, New Delhi 110 001 by 15 October 1998. Fax: 011-3710618. E-mail: dgcsir@csirhq.ren.nic.in.
