

**DEPARTMENT OF SCIENCE AND TECHNOLOGY**  
(International Division)

**JOINT RESEARCH PROJECTS UNDER INDO-SLOVENIAN  
S&T COOPERATION**

Department of Science and Technology, Government of India and the Ministry of Science & Technology, Government of Slovenia jointly, invite applications from scientists and researchers for support under Indo-Slovenian Agreement on Cooperation in Science and Technology for developing and implementing joint research projects in specific areas of Biotechnology and Electronics. Cooperation could, however, be undertaken in other S&T areas, as and when required, with mutual consultation with the coordinating agencies. The proposals are required to have the endorsement of both Indian and Slovenian Coordinators. The financial support would be provided in terms of international fare and local hospitality as per the terms agreed upon between India and Slovenia.

Application forms along with guidelines may be obtained from:
