Applications are invited for the

FIFTH SERC SCHOOL ON ADVANCED GEOPHYSICAL
FLUID DYNAMICS:
DYNAMICS OF EARTH'S FLUID SYSTEMS

Sponsored by
Department of Science and Technology, New Delhi

This SERC School will be held during 15 June–7 July 1999 at National Geophysical Research Institute, Hyderabad. The objective of the school is to motivate young researchers for pursuing research in challenging areas of dynamics of Earth's fluid systems associated with many geological processes of interest to earth scientists. The total number of participants shall be restricted to 25. An eligible candidate should be in the age group of 22–35 years as on 30 January 1999 and should have a first class M.Sc./M.Tech. Degree in Geophysics/Applied Mathematics/Physics/Meteorology/Atmospheric Sciences and working knowledge of scientific computing. Age limit can be relaxed for nominated candidates such as university teachers, scientists from research organizations. Those who have appeared for the final year examination are also eligible subject to the production of results of the latest semester examination and forwarding letter from Head of Department. All the outstation participants will be provided travel support up to I class/A.C. 3-tier and admissible D.A. Application in prescribed proforma should reach Dr S. N. Rai, Course Director, V SERC School on AGFD, National Geophysical Research Institute, Hyderabad 500 007, by 28 February 1999. [Email: postmast@csngri.ernet.in; Tel: 040-7170141 x 2317; Fax: 040-7171564]

PROFORMA FOR APPLICATION

1. Name; 2. Date of birth; 3. Affiliation; 4. Address; 5. Educational qualification (starting from higher degree, Copies of degree certificate to be enclosed); 6. Experience; 7. Research publication (enclose reprints); 8. Have you attended any previous SERC school of this series; 9. Signature; 10. Recommendation of the Head of Department/Institute.
