

INDIAN INSTITUTE OF SCIENCE BANGALORE

FACULTY POSITIONS

Indian Institute of Science, Bangalore, is a premier Institute of higher learning and research in the country. It has more than 40 departments/centres/units and nearly 450 faculty members pursuing research in many areas of science and engineering. Specialized ME/M Tech programmes are also conducted.

The Institute welcomes applications from exceptionally bright and motivated persons with an established record of independent, high quality research and commitment to teaching for positions of **Assistant Professors** in all disciplines of interest to the Institute in Science and Engineering. The prospective candidates must have a PhD (in the relevant areas) with three years of post-doctoral research experience (relaxable in exceptional cases), and be preferably below 35 years of age. The salary will be in the grade of Rs 3700-125-4950-150-5700/- per month (scale is under upward revision) plus allowances. Interested candidates may apply giving their curriculum vitae, list of publications with reprints of important publications, proposed research plan, department at which the candidate proposes to work, name and address (with email and fax number) of at least three referees, and any other details, to the Registrar, Indian Institute of Science, Bangalore 560 012, India. (Fax: 0091-080-3340757; Email: regr@admin.iisc.ernet.in, Tel. 0091-080-3340757 or 3092444). Applications are welcome throughout the year but will be considered for possible openings in January and August each year. General information about IISc is available on the Website: <http://www.iisc.ernet.in>
