

innovative personalised services for libraries and individuals

FTJS: FULL TEXT JOURNAL SERVICE

FTJS provides libraries with a cost-effective way of acquiring foreign journals. The National Science Library of INSDOC acquires hundreds of foreign journals on CD-ROMs.

Select the journals of your interest from a list of 2000 titles and receive laser print-outs of all the articles in these journals, neatly bound.

The annual subscription to any journal with up to 12 issues a year is **Rs 6000/-** and to one with more than 12 issues a year **Rs 7500/-**.

SOAS: STANDING ORDER ABSTRACTS SERVICE

On subscribing to any of the journals from INSDOC's SOAS journal list, you will receive laser print-outs of the first page of all the articles in this journal. The first page normally gives the author's name and address, the article title, abstract and introduction. On the basis of this information, you can further order photocopy of the complete article through INSDOC's **Document Copy Supply Service**. The annual subscription charges to SOAS are **Rs 1500/-** for a single journal.

For a **FREE SOAS/FTJS** booklet and further details, **write today to:**
