

The Institute of Mathematical Sciences

Chennai

IMSc Associateships for University Teachers

The Institute of Mathematical Sciences, Chennai announces short-term associateships in **theoretical physics, mathematics and theoretical computer science** for teachers from colleges and universities to visit and work at the Institute. This programme is envisaged to help develop a collaborative interaction between the Institute and scientists in the university system. Under this programme, an Associate can visit the Institute once or twice in a year up to a total stay of 90 days per year, each visit not less than three weeks. Tenure of the Associateship will be for a period of three years. Each Associate may make at least two visits in this period. A per diem to cover the local expenses during the stay at Chennai and travel expenses between the place of work and Chennai will be borne by the Institute of Mathematical Sciences. During their stay at the Institute, Associates will be provided accommodation in the Institute Guest House.

Any teacher from the universities (including institutions like the IITs) who wishes to be considered is encouraged to write to the **Director, Institute of Mathematical Sciences, C.I.T. Campus, Taramani, Chennai 600 113** with a copy of curriculum vitae including a complete list of research publications and a brief outline of proposed research plans to be pursued at the Institute of Mathematical Sciences. Associateship invitations for the three year period 2000–2002 will be finalized during **September 1999**.

DEPARTMENT OF CHEMICAL TECHNOLOGY

UNIVERSITY OF MUMBAI

MATUNGA, MUMBAI 400 019

No. 78

Applications are invited from Indian nationals for the positions of Senior Research Fellows under a scheme entitled '**Synthesis of Laser Dyes**' sponsored by the Department of Atomic Energy, Government of India.

- | | |
|---------------------------|--|
| No. of positions | : 2 (Two) |
| Prescribed qualifications | : M.Sc. degree in Organic Chemistry with two years Research experience or M.Sc. (Tech.) degree in Dyestuff Technology. |
| Remuneration | : Rs 5,600 p.m. for first two years.
Rs 6,000 p.m. for third year. |

NET/Gate qualified candidates will be preferred. Candidates awaiting the result of qualifying examinations are also eligible to apply. Selected candidates may register for higher degree subject to the approval of the post-graduate selection committee. Please send your application to the **Director (Attn: Prof. D. W. Rangnekar)**, University Department of Chemical Technology, Matunga, Mumbai 400 019 **latest by 31 August 1999**.
