WANTED LIFE SCIENTISTS AND BIOTECHNOLOGISTS
( DBT-Funded Positions )

The Rajiv Gandhi Centre for Biotechnology is an autonomous R&D Centre under STEC, and undertakes research and training in areas such as Infectious Diseases, Environmental Biotechnology, Plant Molecular Biology, Transgenic Plants and Animals, Molecular Biology of Genetic Diseases and Molecular Basis for Biological Functions. The Centre has several DBT-funded positions available in the above specializations and related areas at different levels, for Scientists having consistently first rate academic record, proven record of scientific productivity in the form of peer-reviewed publications in national/international journals of repute, and proven track record.

Appointments shall be on project mode for three years in the first instance with the possibility of further extension. The positions will range from Scientist-II: (Pay Scale: Rs 8000-275-13,500) to Scientist-VI: (Rs 16,400-450-20,000). The length of experience and the quality of scientific productivity record will be major factors in deciding the level of appointment as well as the salary offered. A few higher positions could also be made available for suitable candidates with outstanding international standing and record of publications. Shared laboratory space and some initial intramural funding will be available. However, appointees are expected and will be encouraged to attract project-based research funding.

Application forms and further particulars can be obtained from the Controller, Rajiv Gandhi Centre for Biotechnology, Jagathy, Thiruvananthapuram 695 014 by sending a crossed Indian Postal Order for Rs 100 drawn in favour of the Controller and a self-addressed stamped (Rs 6) envelope (size 28 x 13 cm). However, SC/ST/OBC applicants should send I.P.O. for Rs 25 only. Applicants applying for more than one position should submit separate application for each position. The Centre reserves the right to call for interview only those candidates who in the opinion of the Screening Committee are likely to be suitable for the position. No interim correspondence will be entertained. The decision of the Screening Committee and the Selection Committee will be final. Applicants who are already in employment should forward their applications through proper channel. Advance copies may, however, be sent direct but the consent of the Employer must be furnished at the time of the interview. Canvassing in any form will be a disqualification. Completed applications should reach Controller, Rajiv Gandhi Centre for Biotechnology, Jagathy, Thiruvananthapuram 695 014 not later than 31 October 1999.
