

ment was opposed to him and by all means wanted to have a Dutch for the chair. The case for Raman was rejected with the argument that education of the students would suffer since Raman did not know Dutch language. The authorities might have given him a chance if he would have been younger.

ACKNOWLEDGEMENTS. We thank Prof. J. A. Kox (Pieter Zeeman Professor of History of Physics, University of Amsterdam) for correspondence concerning the Zeeman Chair, and permission to use the same. We thank the Boorhave Museum for the Clay–Raman correspondence and Dr S. W. de Clercq (Maarsse, The Netherlands), who translated the Dutch letters quoted in this article. R.S. gratefully acknowledges the support through a grant from the Heinrich Böll Stiftung, Berlin.

SUBMISSION IN ELECTRONIC FORM

Authors who have been informed of acceptance of their manuscripts may send the final version in electronic form on floppy diskette (3.5" preferred; IBM PC format only, *not* Mackintosh). The text of the manuscript only should be supplied as a plain ASCII file with no formatting other than line and paragraph breaks. (WordStar 5.5 or 7.0 and Microsoft Word for Windows 6.0 are acceptable, but ASCII is preferred.) A hard copy of the text, with all typesetting information (italics, bold, mathematical type, superscripts, subscripts, etc.) must accompany the electronic copy. Tables and figures must be supplied only as hard copy. The diskette must be labeled clearly with the following: manuscript number, file name, file information (ASCII or WordStar, version number, etc.).

Text may also be transmitted as ASCII only by e-mail to currsci@ias.ernet.in.

We expect that electronic submission will result in quicker processing for publication.
