

National Research Centre on Equines Sirsa Road, Hisar 125 001 (Haryana)

Applications are invited for recruitment of a Research Associate in temporary capacity on yearly contract basis (renewable every year) under NATP (ICAR) Mission Mode programme on 'Animal health Information System through disease Monitoring and Surveillance'. The project is likely to be continued up to December, 2003. Suitable candidates fulfilling the following qualifications may appear for a Walk in interview on 1st November 2000 at 10.30 AM at National Research Centre on Equines, Sirsa Road, Hisar. The selected person would be required to visit extensively various villages, farms, etc. and collect and process sera/clinical materials from animals for generating data on the prevalence of various infections, diseases using computer software. Candidates should bring along 5 copies of brief biodata (pasted with a recent photograph) indicating the academic qualifications and experience earned in the relevant field. The information should be supported by attested copies of the testimonials. There will be no liability of the ICAR/NRCE to absorb the selected candidate on regular basis at the Centre.

1. Pay as per rules of ICAR: For master degree holder: Rs 8,800 p.m. + HRA.
For Ph.D. holders: Rs 10,500 p.m. + HRA

2. *Qualification:*

Essential: M.V.Sc. (Veterinary Microbiology/Veterinary Immunology/Vety. Epidemiology/Vety. Pathology) or Ph.D. in any of the above disciplines.

Desirable:

- a) Experience of preparing diagnostic reagents and conducting ELISA, FAT, Immunoperoxidase tests, etc. and isolation of bacterial/viral/fungal pathogens and their characterization.
- b) Functional knowledge of use of computers.

Age: Below 35 years, as on 1.9.2000.
