The Raman Research Institute (RRI) invites applications for Faculty and Post-Doctoral appointments in both Theoretical and Observational Astronomy and Astrophysics. The applicants should have research interest in one or more of the following areas: Galactic and Extragalactic Radio Astronomy, Interstellar and Intergalactic medium, 21 cm HI and other radio spectral line studies, Evolution, Kinematics and Gas-content of Normal and Active Galaxies, Pulsars and Neutron Stars, High Energy Astrophysics and Physical Cosmology. Applicants with interest in instrumentation for radio astronomy can also apply.

RRI is a premier research institute in India conducting basic research and Ph.D. programs in several areas of Physics in addition to Theoretical and Observational Astronomy. The Radio Astronomy Laboratory has advanced facilities for instrumentation with ongoing activities related to development of a new radio telescope. Astronomers will have access to National and International open observing facilities. Please visit http://www.rrri.res.in/ for more details about RRI.

Applicants for Faculty positions must have a Ph.D. in Physics or Astronomy and three or more years of post-doctoral experience with an established record of independent research. Applicants for Postdoctoral fellowships must have obtained a Ph.D. in Physics or Astronomy within the last five years. Faculty positions require Indian citizenship.

For Faculty positions, the minimum starting salary grade is Rs 10000–325–15200. Higher salaries will be offered based on experience. Housing allowance and limited relocation expenses will be provided.

Postdoctoral fellowships start at Rs 8000/- per month. Higher fellowships are offered to candidates with post-doctoral experience. Accommodation at a nominal charge and limited relocation expenses will be provided.

Applicants are requested to send their updated CV with a list of publications, a detailed statement of current and future research interests and names and addresses of three referees who can be contacted, to the Chairman, Astronomy and Astrophysics Division, Raman Research Institute, Bangalore 560 080 (e-mail: anantha@rrri.res.in) by 15 December 2000.
