COORG 2001: Indian Academy of Sciences Meetings in Neuroscience

**LAB COURSE IN CELLULAR NEUROBIOLOGY**
15th-24th February 2001
NCBS-TIFR Bangalore

An intense course in electrophysiological and optical methods of analysis of neuronal function to be directed by John Nicholls. Ken Muller, Robert Bosler, M.K. Mathew, Hollis Cline, S. Mayor, M.M. Panicker, U. Bhalla, V. Rodrigues and S. Chatterji will be the other teachers.

A small number of graduate students and young investigators will be selected for this course.

**FUNCTION AND PLASTICITY IN THE ADULT BRAIN**
25th-28th February 2001
Orange County, Coorg

A discussion meeting on current trends and future directions. In addition to the invited speakers a panel of discussants from India and abroad will participate. Invited speakers include Mahendra Rao, John Nicholls, Michael Merzenich, Corey Goodman, Amiram Grinvald, Wesley Thompson, Mani Ramaswami, Upinder Bhalla, Albert Aguayo, Michael Bate, Jonathan Bacon, Chun-Fang Wu, Hollis Cline, Eve Marder, Tim Tully, Ken Muller, Mrganka Sur, James Knerim, Aniruddha Das, Ronald McKay, Vidita Vaidya, Vidita Vaidya.

**IBRO WORKSHOP: NEUROSCIENCE PERSPECTIVES**
2nd-4th March 2001
NCBS-TIFR Bangalore

Invited speakers include Obaid Siddiqi, Amiram Grinvald, Erich Buchner, Eve Marder, Hollis Cline, Mike Merzenich, Tim Tully, Aniruddha Das, Ajay Chitnis, TR Venkatesh, Jriganka Sur, Veronica Rodrigues, Subha Tole, Vidita Vaidya, Sumantra Chatterji. Selected number of students will be accommodated at NCBS.

**ORGANISER:** K.S. KRISHNAN
Department Of Biological Sciences, Tata Institute Of Fundamental Research, Homi Bhabha Road, Bombay-400005, INDIA.
