ADVERTISEMENT NO. 2/2001

Applications are invited for the post of **Director** at the **Birbal Sahni Institute of Palaeobotany, Lucknow, UP.**

Job requirements

This is a top R&D management position. The Director shall be the academic as well as administrative head of the Institute. The Director is expected to provide leadership in the identification and formulation of research and development projects and in coordinating the research activities in accordance with the aims and objects of the Institute. The Institute is devoted to the promotion of higher studies, research and dissemination of knowledge in palaeobotany and allied disciplines. Candidates are expected to be accomplished scientists in the field of palaeobotany or allied disciplines with the ability to project an effective image of the Institute.

Qualifications and experience

High academic qualifications with established standing and reputation and published work of high quality in palaeobotany or allied disciplines. Research experience in these fields of at least 15 years is required. Experience in management of major research projects is desirable.

Salary

The salary scale attached to the post is Rs 18,400-500-22,400 plus allowances as per Central Government rules.

Age limit

Below 55 years (as on 31 January 2002). Relaxable in exceptional cases.

Tenure

Ordinarily for a period of five years or till the date of superannuation, whichever is earlier.

Application giving complete bio-data and other documents may be sent by registered post so as to reach the **Registrar, Birbal Sahni Institute of Palaeobotany, 53, University Road, Lucknow 226 007, UP** on or before **31 July 2001**.

Only Indian nationals need apply. The selection to the post shall not be necessarily confined to the applicants only.
