

Post Doctoral Fellowships in Astronomy and Astrophysics

The Raman Research Institute (RRI) invites applications for Post Doctoral positions in Astronomy & Astrophysics.

Current research activities at the Institute cover the following areas: Neutron stars, Pulsars, Interstellar Medium, Galactic and Extragalactic Radio Astronomy, Active Galaxies, Intergalactic Medium and Physical Cosmology. National and International facilities such as the GMRT and VLA are regularly used by the RRI staff. Applicants should preferably have completed their Ph.D. in Physics or Astronomy within the last five years and are expected to have research interests in the above areas. For more details about RRI, visit the Website <http://www.rri.res.in>

The position will be for two years which can normally be extended to a third year. Fellowships start at Rs. 10,000/- per month. Higher fellowships are offered to candidates with post-doctoral experience. Accommodation at a nominal charge and limited relocation expenses will be provided.

To apply, please send your updated CV with list of publications, a detailed statement of current and future research interests and names and addresses of three referees who can be contacted. Please send the material by 15 January 2002 to The Chairman, Astronomy and Astrophysics Division, Raman Research Institute, Bangalore 560 080, India (e-mail: aapdf@rri.res.in).
