

## Mangalore University

### DAE–BRNS Sponsored Research Project

Applications are invited from eligible candidates for the posts of Research Associate (RA), Senior Research Fellows (SRF) and Junior Research Fellow (JRF) to conduct research studies using Microtron facility under the research project sanctioned by the Board of Research in Nuclear Sciences, Department of Atomic Energy, Govt. of India. The fellowship emoluments are Rs 8000/- p.m. for RA, Rs 5600/- for SRF and Rs 5000/- for JRF. The tenure of the project is for 3 years.

#### Qualifications:

*Research Associate* : PhD degree in Physics (Candidates who have submitted their PhD thesis are also eligible).

*Senior Research Fellow* : First class MSc degree in Physics with minimum of 2 years of research experience

*Junior Research Fellow* : First class MSc degree in Physics.

Interested candidates may apply with a brief bio-data along with the copies of relevant certificates. Applications should reach Prof. K. Siddappa, Principal Investigator, DAE Research Project, Microtron Centre, Department of Studies in Physics, Mangalore University, Mangalagangothri 574 199 within 15 days of this advertisement.

## National Facility for Marine Cyanobacteria & Bioinformatics Centre

(Sponsored by DBT, Govt. of India)

Bharathidasan University, Tiruchirapalli 620 024, India

We are conducting two consecutive workshops for cyanobacteriologists.

#### 1) **WOBIC 2002** (Workshop on Bioinformatics for Cyanobacteriologists) – **11 to 15 March 2002.**

Lectures and hands-on practical sessions on the basics of bioinformatics, database search, analysis of nucleic acids and proteins, and functional genomics.

#### 2) **WORTIC 2002** (Workshop on Research Techniques in Cyanobacteriology) – **18 to 29 March 2002.**

Molecular and biochemical research techniques in cyanobacteriology. The course is essentially technique oriented with the addition of few lectures.

Interested researchers working in cyanobacteriology can send their application on plain paper along with their biodata and a brief write-up on the immediate relevance of these workshops to their research. The applications should be sent through proper channel so as to reach on or before **22 February 2002**. Number of participants will be restricted to **twelve** and participation in both the workshops is essential. Boarding and lodging will be provided. However, TA & DA will **not** be given.

Contact address: The Director, National Facility for Marine Cyanobacteria, Bharathidasan University, Tiruchirapalli 620 024, Ph: (0431) 660 352; Fax: (0431) 660 384; e-mail: [nfmc@bdu.ernet.in](mailto:nfmc@bdu.ernet.in).
