INSA Medal for Young Scientist for Year 2003

Call for Nominations

Since 1974, the Academy has instituted INSA Medal for Young Scientist with the aim of recognizing young scientists of extraordinary promise and creativity who have made notable research contributions in Science and Technology. This award, considered to be the highest recognition of promise, creativity and excellence in a young scientist, is made annually to those distinguished for these attributes as evidenced by their research work carried out in India. Only those born on or after 1 January 1971 are eligible for consideration in the year 2003.

The awardee shall receive a certificate, a bronze medal, Rs 25,000/- cash award and incentives in research work and further overseas training.

A candidate may be proposed by a Fellow of the Indian National Science Academy or by earlier recipients of this award. Scientific societies of national standing, university/research institution faculty may also make nominations of eligible candidates.

The last date, for receiving nominations at the Academy is, 16 October 2002.

Nomination proforma can be obtained from the Assistant Executive Secretary (Council) at the above-mentioned address of the Academy by sending a self-addressed envelope of 25 cm × 12 cm size. This information-cum-nomination format is also available on the Internet at our website: http://www.insa-india.org.
