Mangalore University Research Fellowships

Applications are invited for a post of Junior Research Fellow (JRF) for the BRNS-DAE funded theoretical research project: “Dynamical Symmetry Breaking and Effective Quark Mass”.

Fellowship/per month: Rs 5000/- (two years) and Rs 5,600/- (third year).
Qualification: M.Sc. (Physics) with at least 55% marks. Those who have passed NET will be preferred.

Candidates possessing the requisite qualifications may submit their application on a plain paper to Dr. K. B. Vijaya Kumar, Principal Investigator, BRNS-DAE project, Department of Physics, Mangalore University, Mangalagangotri 574 199 within 15 days from the date of this advertisement, giving their complete bio-data and copies of certificates.

Centre of Plasma Physics
Guwahati

Applications are invited for the position of one Junior Research Fellow (JRF) in a BRNS-sponsored research project entitled “Study of a thermal plasma system for production of nano-particles of ceramic materials” undertaken by Dr. M. Kakati at this institute.

Required qualifications: First class M.Sc. degree in physics with adequate knowledge of computation. Candidates with good academic record and qualified for NET/GATE will be preferred. Fellowship: Rs 5000/- p.m. plus other allowances as per institute rules.

Applications on plain paper with full bio-data with copies of testimonials should reach the Director, Centre of Plasma Physics, Saptawahid Path, Dispur, Guwahati 781 006, Assam on or before 20 August 2002. The date of interview for selection will be notified personally to the applicants later.

Industrial Research & Consultancy Centre
Office of the Dean (R&D)
Indian Institute of Technology, Bombay

Applications are invited from citizens of India for a SRF position with a fellowship of Rs 5,600/- p.m. in the BRNS-sponsored project “Molecular and Metabolic Analysis of Arginase from Aspergillus niger” undertaken in the Biotechnology group, School of Bioscience and Bioengineering. The position is tenable for three years. Candidates holding M.Sc. degree in Biochemistry/Biotechnology with a first class and with two years of research experience in fungal molecular biology need apply. Candidates may apply on a plain paper stating the advertisement number, name, date of birth, mailing address, details of academic qualifications with copies of certificates so as to reach the Assistant Registrar (Dean’s Office), IIT Bombay, Powai 400 076 within a week of this advertisement.
