Project Training Program–2003

CDFD an autonomous Centre of the Department of Biotechnology, provides services in DNA Fingerprinting, diagnostics and bioinformatics and conducts basic research in the frontier areas of modern biology.

CDFD invites applications for Project Trainees from post-graduate students doing their masters in biology for a 4-month training in ongoing research activities of CDFD during January–April 2003. The candidates must possess a good academic record and interest to pursue research. Desirous candidates may send their biodata with attested photocopies showing proof of date of birth, education and experience, if any, duly recommended by the sponsoring Institute, to the following address:

Dr V. Padmaja, Academic Cell, Centre for DNA Fingerprinting and Diagnostics, ECIL Road, Nacharam, Hyderabad 500 076. Website: http://www.cdfd.org.in.

Selected candidates would be provided accommodation during the period of their stay in our hostel. They would, however, have to cover their boarding expenses. Last date for receiving application is 30 October 2002. The list of selected candidates will be displayed on our Website by the middle of November 2002. No personal communication will be sent.
