Application on plain paper with complete bio-data along with photocopies of educational/professional certificates are invited from Indian Nationals for a Research Associate to work in the research project entitled 'Effect of Asymmetric Heating of fuel Pins on fuel bundle integrity', sponsored by Board of Research in Nuclear Sciences (BRNS), Department of Atomic Energy, Govt of India. The duration of the scheme is up to March 2004. The applications complete in all respects accompanying the copies of the mark sheets, degree certificates and other testimonials along with a demand draft for Rs 100 for general and Rs 25 for SC/ST candidates drawn in favour of The Registrar, Indian Institute of Technology Roorkee (demand draft should be on the State Bank of India, IITR Branch, code 1069 or Punjab National Bank, IITR Branch, code 4044) should reach Dr Bhanu K. Mishra, Principal Investigator, Department of Mechanical & Industrial Engineering, Indian Institute of Technology – Roorkee, Roorkee 247 667 latest by 30 September 2002. No application will be considered after the due date.

Qualification: Ph. D. having research publication in science or M.E./M.Tech. with three years experience. In case a suitable candidate is not found, then the candidates having B.E./B.Tech. with two years experience will be considered for Senior Research Fellow (SRF).

Maximum age: 35 years.

Emoluments: Rs 8000 per month for Research Associate and Rs 5600 per month for SRF.

Note: The upper age limit is relaxable up to 5 years in the case of the candidates belonging to SC/ST categories, women and physically handicapped candidates. No TA/DA is permissible for attending the interview.

Prof. & Head

Travel Fellowships for the Symposium

‘The Current Excitement in Biology’
24 to 29 November 2002

on the occasion of Silver Jubilee Celebrations of CCMB

The Centre for Cellular and Molecular Biology (CCMB) will celebrate its silver jubilee on 26 November 2002. As part of the celebrations it will hold a Symposium on ‘The Current Excitement in Biology’ during 24–29 November 2002. The symposium will provide an opportunity for close interaction with many leaders in Modern Biology and Biotechnology.

The National Organising Committee has decided to award fellowships to 25 young scientists from all over India to participate in the Symposium. The fellowships will cover round-trip travel (first class/second class AC sleeper) from the place of duty in India to Hyderabad and the registration fee of Rs 6000. Selections will be based on research work carried out by the nominee in areas that come within the purview of the Symposium. The selections will be made by a committee appointed by DG, CSIR. Details and application proforma are available at: www.ccmb.res.in/symposium/nomination.html.

Applications together with supporting documents can be made directly and must reach Dr Lalji Singh, Convenor, Symposium on ‘The Current Excitement in Biology’, Centre for Cellular and Molecular Biology, Hyderabad 500 007’ latest by 30 September 2002. Incomplete or late applications will not be considered.

Age limit: Below 35 years on 31 December 2001.
