SUBMISSION IN ELECTRONIC FORM

Authors who have been informed of acceptance of their manuscripts may send the final version in electronic form on floppy diskette (3.5" preferred; IBM PC format only, not Macintosh). The text of the manuscript only should be supplied as a plain ASCII file with no formatting other than line and paragraph breaks. (WordStar 5.5 or 7.0 and Microsoft Word for Windows 6.0 are acceptable, but ASCII is preferred.) A hard copy of the text, with all typesetting information (italics, bold, mathematical type, superscripts, subscripts, etc.) must accompany the electronic copy. The diskette must be labelled clearly with the following: manuscript number, file name, file information (ASCII or WordStar, version number, etc.).

Text may also be transmitted as ASCII only by e-mail to currsci@ias.ernet.in.

We expect that electronic submission will result in quicker processing for publication.

UNIVERSITY OF CALCUTTA

Applications are invited for the post of one Junior Research Fellow (JRF) and one Research Associate (RA) for the BRNS-DAE funded research project: ‘Spectroscopic Measurement and Cold Collision Studies in Laser Cooled Rubidium Atoms’.

Fellowship: Rs 5000 p.m. (first two years) and Rs 5600 (third year). Associateship: Rs 8000 p.m. (consolidated), plus other allowances as per University rules. Qualifications: JRF, M.Sc. (Physics) with at least 55% marks, NET/GATE-qualified candidates will be preferred. RA, Ph.D. in Experimental Laser Physics or allied subject.

Candidates possessing the requisite qualification may submit their applications on a plain paper to Prof. P. N. Ghosh, Principal Investigator, BRNS-DAE Project, Department of Physics, University of Calcutta, 92, A.P.C. Road, Kolkata 700 009, within 15 days from the date of this advertisement, giving their complete bio-data and copies of certificates.

Special Sessions Open to the Public in the Symposium ‘The Current Excitement in Biology’ on the occasion of Silver Jubilee Celebrations of CCMB

The Centre for Cellular and Molecular Biology (CCMB) will celebrate its silver jubilee on 26 November 2002. As part of the celebrations it will hold a Symposium on ‘The Current Excitement in Biology’ during 24–29 November 2002. Two special sessions are open to the public. One is on ‘Ethical and Political Issues of Modern Biology’ (2.30 p.m. – 6.00 p.m. on Monday 25 November 2002), and the other on ‘Science and Art’ (2.30 p.m. – 6.30 p.m. on Wednesday 27 November 2002). Speakers in these special sessions include Ruth Purtile, P. M. Bhargava, Kapila Vatsayan, Sai Paranjpe, Anita Ratnam, Robin Holliday and Sunil Kothari.
