POST-DOC POSITION AVAILABLE

A post-doc position is available in the Laboratory of Plant Physiology, Biochemistry and Molecular Biology, UMR CNRS 6161, University of Poitiers (France) to work on glutathione transport in yeasts and plants. The project involves the functional characterization of glutathione transporters from plants and yeasts by heterologous expression in yeasts, and plant transformation. The position (one year) obtained through IFCPRA is dedicated to Indian applicants, who should have training and experience in molecular biology, genetics and/or plant transformation. For more information, contact Dr Serge Delrot, UMR CNRS 6161, Plant Physiology, 40 Avenue du Repeute Pineau, 86022 Poitiers, France; Phone: 33-5-49-454185; Fax: 33-5-49-454186; E-mail: serge.delrot@univ-poitiers.fr. To apply, please send a brief description of research experience and interests, curriculum vitae with list of publications and arrange to have three reference letters sent to Dr S. Delrot.

SPONSORED RESEARCH AND INDUSTRIAL CONSULTANCY

INDIAN INSTITUTE OF TECHNOLOGY, KHARAGPUR

Advt. No. IIT/SRIC/R/SMN/105/2002

Applications are invited from highly motivated candidates for the position of Junior Research Fellow (1 No.) in a temporary project entitled ‘Size and Shape controlled Synthesis of Metal Nanoparticles (SMN)’ sponsored by BRNS, DAE, Mumbai, undertaken in the Department of Chemistry of this Institute.

Qualification: M.Sc. in (Physical/Inorganic) Chemistry. The candidate should have a valid GATE/NET score. Monthly consolidated fellowship is Rs 5000.

Interested eligible persons may apply on plain paper giving complete bio-data along with attested copies of testimonials within 15 days from the date of advertisement to the Assistant Registrar (SRIC), Indian Institute of Technology, Kharagpur 721 302.
