

## INDIAN INSTITUTE OF ASTROPHYSICS

Koramangala, Bangalore 560 034

NOTIFICATION NO. IIA/02/UV Regions/2003

Date: 27 December 2002

Applications are invited for two positions of PROJECT ASSISTANTS for the project '**Development of image processing techniques in UV regions and their data analysis**'.

*Qualifications and experience* : B.E. Computer Science or electronics or instrumentation with good knowledge of C,C++  
: *Desirable:* Previous experience in development of Astronomical software and operation of UNIX systems.

*Tenure* : 12 months

*Fellowship* : Rs. 8000/- (consolidated) per month plus HRA @ 15% per month.  
In deserving cases, higher emoluments may be offered.

Interested candidates may apply on plain paper to The Administrative Officer, Indian Institute of Astrophysics, Koramangala, Bangalore 560 034 with complete CV, list of publications, names of two referees within one week from the publication of this advertisement.

## CENTRAL RICE RESEARCH INSTITUTE

CUTTACK 753 006

Nominations are invited for participation in a NATP-sponsored National Training Workshop on '**Greenhouse gas emission from paddy fields**' with special reference to flux measurement techniques, microbiological aspects and identification and development of mitigation options, to be held from 3 to 13 March 2003 at Central Rice Research Institute, Cuttack. The workshop aims to expose the participants with the global concerns about climate changes, different source of atmospheric trace gases, contributions of rice fields to global and national budget for methane and nitrous oxide, methodologies for measuring trace gases and microbiology of atmospheric trace gas metabolism in soils, through a series of lectures, practical presentations and field excursions. Interested persons from universities, post-graduate level colleges, government organizations and NGOs may submit nominations along with their CV through proper channel, particularly highlighting their current research activities and publications to Dr T. K. Adhya, Principal Investigator, Team of Excellence on Greenhouse Gas Emission (NATP), Central Rice Research Institute, Cuttack 753 006, Orissa
