

INDIAN NATIONAL ACADEMY OF ENGINEERING

INAE Young Engineer Award 2003

The Indian National Academy of Engineering (INAE) invites nominations of young engineers from Academia, Government, R&D Laboratories, Industry and Defence Services having age not more than 35 years as on 1st January 2003 to recognize their outstanding achievements/contributions made to any branch of engineering.

The criteria for the award is excellence in design and technology transfer, innovative development and engineering research which should have been carried out totally in India. The sponsor must be a Fellow of INAE or Head of Organisation/Institution, where the nominee is working.

The award shall consist of a citation, a gold-plated silver medallion and Rs 20,000 in cash. In addition, the award may be considered by the Academy for recommendation for suitable research grant to further his/her chosen field of engineering, provided the proposal is considered worthy of such support.

The last date of receipt of nomination is **31 May 2003**.

Innovation Potential of Student Projects Awards 2003

The Indian National Academy of Engineering (INAE) invites nominations from Heads of Engineering Institutions at Doctoral, Master's and Bachelor levels for assessing their innovative potential and intrinsic merit on two best projects in each of major engineering disciplines, as per the following eligibility criteria.

- (i) BE/B. Tech projects completed during the academic year 2002–2003.
- (ii) ME/M. Tech and Ph. D. theses examined during the calendar year 2002.

Degree/Provisional Certificate should accompany the nomination proforma.

The award in each of the three categories will consist of a certificate, a medallion and Rs 10,000 in cash.

The last date of receipt of nominations is **15 July 2003**.
