Admissions to the Ph.D. Programme

Centre for DNA Fingerprinting and Diagnostics (CDFD), Hyderabad, is a premier institute in the country, which also conducts basic research in different areas of modern molecular and cellular biology. The details are listed on our website (www.cdfd.org.in). We invite applications from highly motivated candidates willing to take up challenges in modern biology for admissions to our JRF programme. Keeping in view the interdisciplinary nature of modern molecular biology, we especially encourage persons from diverse backgrounds to take up challenges in these areas. Those admitted as JRFs would be considered for the Ph.D. program of the University of Hyderabad.

Eligibility: Masters degree in any branch of Science, Technology, Medicine or Agriculture. Candidates must have cleared the CSIR/UGC NET with fellowship. Those who have appeared, but are awaiting results, are also eligible to apply. However, only those candidates will be considered for interviews who produce proof of clearing the CSIR/UGC NET JRF.

Applications on plain paper with name, address for correspondence, academic background, record of extra-curricular activities and proof of CSIR/UGC fellowship should be sent to Mr. E. V. Rao, Academic Cell, CDFD, ECIL Road, Nacharam, Hyderabad 500 076. Applications may also be made on-line through our website (www.cdfd.org.in).

Interviews for admissions will be held during 15–16 June 2003, for which no TA/DA will be paid to the invited candidates. The last date for applications to reach CDFD is **28 April 2003**. The list of eligible candidates who will be called for interviews at CDFD will be displayed on our website by the middle of May 2003. No individual intimation letter would be sent. Director, CDFD reserves the right to accept/reject any or all applications without assigning any reasons whatsoever.

B. M. Birla Science Prizes

The B. M. Birla Science Centre, Hyderabad, requests Heads of recognized Research Institutes and Universities for nominations for the B. M. Birla Science Prize in Mathematics, Physics, Biology and Chemistry for the year 2002.

The Prizes in each of the above subjects are for outstanding original contributions in the concerned field by the young Indian scientists residents of India who are not more than 40 years of age on the 31 December 2002.

All nominations should be sent in triplicate including a full list of publications and up to five of the best papers as also the specific work for nomination, curriculum vitae and the formal nomination itself. These nominations should reach:

Dr. B. G. Siddharth, Director General, B. M. Birla Science Centre, Adarsh Nagar, Hyderabad 500 063, India; Before **30 June 2003**.
