

NABANITA GHOSH SCHOLARSHIP

Applications are invited for the Nabanita Ghosh Scholarship for a short internship program (about 4 months duration) at the Institute of Bioinformatics and Applied Biotechnology.

Eligibility

- Students from colleges/institutions undergoing M.Sc./B.Tech. course in life science/biotechnology/bioinformatics required to do a project as a part of the course curriculum.
- More than 60% marks in the previous years/semesters.
- The scholarship is need based and hence proof of financial status will be required.
- The application will have to be signed by an authorised person from the Institute/College.

Selection

- Candidates will have to submit a short essay on the project they would like to take up along with the properly filled in application form.
- At the discretion of a committee constituted by IBAB.

Interested candidates can download the application form from www.ibab.ac.in

DEPARTMENT OF SCIENCE AND TECHNOLOGY

INDIA SCIENCE AWARD

India Science Award has been announced and it is envisaged to be the highest and most prestigious national recognition for outstanding contribution in Science in India. The award will cover all areas of research in science including engineering, medicine and agriculture and the award amount will be Rs 25 lakhs. The details of the award including selection criteria and methodology worked out by the committee constituted for this purpose, are available on our website: www.dst.gov.in; www.serc-dst.org.

Comments and suggestions on the award are invited from scientists, technologists and all others concerned. These may be sent to the following address, preferably by e-mail, so as to reach before 30 September 2003.
