Studentship/Traineeship in Bioinformatics

Applications are invited from suitable candidates for Studentship and Traineeship programme (one candidate each) in Bioinformatics. Studentship is for those working towards partial fulfillment of post graduate degree in Science or undergraduate degree in engineering and Traineeship is for training in Bioinformatics for those who have completed these degrees. Preference will be given to persons who have experience in Bioinformatics. The duration of the programme will be up to one year and a monthly Fellowship of Rs 5000/- will be paid to those selected for the programme. The applications along with detailed bio-data can be submitted, to reach the undersigned on or before 25 February 2004.

Indian Association for the Cultivation of Science  
Jadavpur, Kolkata 700 032

Applications on plain paper are invited by the Registrar, Indian Association for the Cultivation of Science, Jadavpur, Kolkata 700 032 within 15 days from the date of publication for the following post of Research Associate under the DST project entitled “High Resolution X-ray Powder Diffractometer for Experimental Facility for Materials Science Applications” under Prof. P. Sengupta, Principal Investigator, Department of Materials Science.

1. Research Associate – 1 post

Essential qualifications: The applicant should have a good academic record with a Ph.D. or equivalent degree in Physics/Materials Science/Chemistry/Metallurgical Engs. from reputed Universities/IITs, etc. having a minimum years of research, teaching and design and development experience in the related/allied fields and publications in reputed journals. The experience in X-ray diffraction studies involving X-ray Powder Diffractometry, Data bases and softwares in powder diffraction work are essential. The Research Associate, apart from involvement in research, will have to render regular services to the internal and external users of the facility created for materials science applications. Technical assistance will be available in this regard from a whole-time technical staff of IACS.

Fellowship: Rs 12,000.00 (consolidated) + HRA per month for the whole tenure of 5 years under the DST project.

The tenure of the post is initially for one year which is likely to be extended depending on the progress of the work or termination of the project whichever is earlier.
