

Are you **bored** with routine software coding, recoding . . .

Experience excitement of the feeling

“I’ve discovered”

We invite you for a career in **genome informatics**. **Genome informatics specifically deals with “using genomics information to obtain leads for molecular medicine of tomorrow”**

At the **Institute of Genomics and Integrative Biology**
where Genomics is an everyday experience

You should have:

MCA/BIT/BE/B.Tech. or equivalent from reputed institute with strong interest in Biology and Bioinformatics

OR

M.Sc. in Biochemistry/Biotechnology/Life Sciences with good academic record (greater than 55%) and knowledge of computers. Candidates with postgraduate diploma in Bioinformatics are preferred.

OR

M.Sc. in Mathematics/Chemistry/Physics with good academic record (greater than 55%) and proven aptitude in Biology.

Note: Engagement of personnel in project positions shall be co-terminus with the duration of the project or can be terminated by submitting one month prior notice by either side.

For application and remuneration details please visit us at www.igib.res.in

BHOPAL MEMORIAL HOSPITAL AND RESEARCH CENTRE

(A State-of-Art Super Speciality Hospital in service of Bhopal Gas Victims;

Administered by a Trust appointed by the Supreme Court of India)

Raisen Bypass Road, Karond, Bhopal 462 038

Tel: 0755-2742212; Fax: 0755-2742566

Applications are invited for ultra modern laboratories undertaking research
in Cell Biology, Molecular Biology and Molecular Genetics.

Associate Professor—1 position

Qualifications: Ph.D. in Biochemistry, Microbiology, Life Sciences, Biotechnology, Genetics or Applied Biology with 10 years post-doctoral teaching and/or research experience.

Salary: 17,500–1,750–26,250 (Consolidated) + 10% Conveyance Allowance.

Assistant Professor—1 position

Qualifications: Ph.D. in Biochemistry, Microbiology, Life Sciences, Biotechnology, Genetics or Applied Biology with 3 years post-doctoral teaching and/or research experience.

Salary: 14,000–1,400–21,000 (Consolidated) + 10% Conveyance Allowance.

Senior Research Assistant—2 positions

Qualifications: Ph.D. in Biochemistry, Microbiology, Life Sciences, Biotechnology, Genetics or Applied Biology.

Salary: 8,000–600–12,000 (Consolidated).

Junior Research Assistant—2 positions

Qualifications: M.Sc. in Biochemistry, Microbiology, Life Sciences, Biotechnology, Genetics or Applied Biology with 2 years research experience.

Salary: 6,000–450–9,150 (Consolidated).

For the first three positions experience in Confocal Microscopy, Molecular Cytogenetics, Flow-Cytometry or Bacterial Genetics will be added advantages.

Accommodation on campus and Medical Facilities as available in the hospital will be provided. Contributory Provident Fund will be paid as applicable.

The above posts are on a 5-year contract basis, renewable by mutual consent.

Application may be forwarded on plain paper to: Prof. Indraneel Mitra, Director General, at the above address by **14 June 2004**.
