

DEPARTMENT OF SCIENCE AND TECHNOLOGY GOVERNMENT OF INDIA, NEW DELHI

ANNOUNCES

INTERACTION MEETING IN ANIMAL PHYSIOLOGY

The Department of Science and Technology (DST), New Delhi invites proposals for funding research in the field of Animal Physiology. This is to promote research in the current areas of animal physiology by young as well as established scientists in educational and research institutions. Researchers are hereby invited to send their proposals, in the prescribed format, which can be obtained from

Dr B. P. Singh,
Scientist F, SERC, DST,
Technology Bhavan,
New Mehrauli Road,
New Delhi 110 012.

The format may also be downloaded from the DST website. The proposals shall have a clear focus on active fields of Animal Physiology, relevant to the present day context.

The proposals superscribed *Project Proposals for Interaction Meeting in Animal Physiology* may be sent directly to Dr B. P. Singh at the above address, with a copy to Prof. K. S. Krishnan, Tata Institute of Fundamental Research, Mumbai 400 005 so as to reach on or before **1 December 2004**.

The proposals will be screened and short-listed for presentation at the Interaction Meeting in Animal Physiology to be organized in Mangalore University in the month of February 2005. The meeting is tentatively fixed for 11 and 12 February 2005.

The following invited speakers are expected to participate:

1. K. S. Krishnan (TIFR, Mumbai), *Genetics and Neurobiology*
2. Satyajit Mayor (NCBS, Bangalore), *Cellular Membrane Trafficking*
3. K. Muralidhar (Delhi University), *Endocrinology and Physiology of Reproduction*
4. Satyajit Rath (NII, Delhi), *Immunology*
5. K. Ravi (VP Chest Institute of Delhi University), *High Altitude Physiology*
6. V. Rodrigues (TIFR, Mumbai), *Physiology of Olfaction*
7. Sujit Sikdar (IISc, MBU), *Electrophysiology and Ion Channel Function*
8. B. K. Thelma (Delhi University), *Genomics of Physiological Disorders*
9. K. VijayRaghavan (NCBS, Bangalore), *Development of Behaviour*
