

**CDFD**  
([www.cdfd.org.in](http://www.cdfd.org.in))  
**Admission for Ph.D. program 2005**

The CDFD (Centre for DNA Fingerprinting and Diagnostics), Hyderabad, is a premier institute in the country, which provides services in DNA Fingerprinting and Diagnostics and conducts basic research in different areas of modern molecular and cellular biology. The main themes of research at CDFD are: Genetics; Molecular and Cellular Biology; Molecular Pathogenesis; Computational and Structural Biology; (The details are listed on our website [www.cdfd.org.in](http://www.cdfd.org.in)).

We invite applications from highly motivated candidates, willing to take up challenges in modern biology, for admissions to our JRF program. Keeping in view the interdisciplinary nature of modern biology, we especially encourage persons from diverse backgrounds to apply. Those admitted as JRFs would be considered for the Ph.D. program of Manipal Academy of Higher Education or University of Hyderabad.

**Eligibility:** Masters degree in any branch of Science, Technology, Medicine or Agriculture. Candidates must have cleared the CSIR/UGC/ICMR/ICAR NET for JRF. Those who have appeared, but are awaiting results, are also eligible to apply. However, only those candidates will be considered who produce proof of having cleared the CSIR/UGC/ICMR/ICAR NET JRF. Admission to CDFD-JRF program is based on a 2-tier system involving a written test followed by interview of candidates who have qualified the written test.

Applications on plain paper as per the format displayed on our website should be sent to Admissions Co-ordinator, Academic Cell, CDFD, ECIL Road, Nacharam, Hyderabad 500 076. Applications may also be made on-line through our website ([www.cdfd.org.in](http://www.cdfd.org.in)). The last date for applications to reach CDFD is **30 April 2005**. The list of eligible candidates will be displayed on our website by the middle of May 2005. No individual intimation letter would be sent.

Eligible candidates will be called for written examination at CDFD followed by interviews during 2 and 3 of June 2005 for which no TA/DA will be paid. Director, CDFD reserves the right to accept/reject any or all applications without assigning any reasons whatsoever.

## **Iladevi Cataract & IOL Research Centre (ICIRC)**

**Gurukul Road, Memnagar, Ahmedabad 380 052**  
**Phone: (079) 2749 0909 Fax: (079) 2741 1200**

**ICIRC** required middle level and senior level scientists who can conduct research in Lens Biology with particular reference to Cell Biology, Tissue Culture, Matrix Biology, Protein Biochemistry and Molecular Genetics.

**ICIRC** has been recognized by DST, Govt of India and has attracted financial support from various Govt and Semi-Govt agencies for its activities. The Centre is also recognized for awarding Ph.D. Degree from MAHE (Manipal Academy of Higher Education, Manipal) and S. P. University (Vallabh Vidyanagar, Gujarat).

At present there is a core group of 10 Scientists and Medical personalities at various levels working in the centre.

Those who are interested can apply with resume and details of their research interest. Salary and perks can be negotiated.

Applications should reach to Director by **30 June 2005**.
