

MANGALORE UNIVERSITY JRF POSITION IN BRNS PROJECT

Applications are invited for the position of Junior Research Fellow in a research project entitled '**Modification of Morphology of Silver Particulate Films on Polymer Substrate by Electron beam and Photon Irradiation**'. The fellowship is tenable for three years with an emolument of Rs 8000/- p.m. for the first two years and Rs 9000/- for the third year.

Qualifications: The applicant should have a Masters degree in Materials Science/Physics (preferably with a specialization in Solid State Physics) with a consistently good academic background.

Applications on plain paper with relevant documents should reach Dr Manjunatha Pattabi, Professor and Chairman, Principal Investigator, BRNS Project, Department of Materials Science, Mangalore University, Mangalagangothri 574 199, on or before 15 June 2005.

JRF POSITION IN BRNS PROJECT

Applications are invited for award of a JRF, in a research project entitled, '**Radiation Synthesis of Hydrogels for Development of Intelligent Biomaterials**'. The fellowship is tenable for three years with an emolument of Rs 8,000/- per month for the first two years and Rs 9,000/- for the third year.

Qualification: M.Sc. (Polymer Chemistry) or M.Sc. (Chemistry/Applied Chemistry) with Polymer Chemistry as Optional Subject.

Applications on plain paper along with biodata and relevant documents should reach Dr. Vishalakshi B., Principal Investigator, BRNS Project, Department of Chemistry, Mangalore University, Mangalagangothri 574 199 (DK) on or before **30 June 2005.**
