PROGRAMME ON PLASMA, HIGH ENERGY, NUCLEAR PHYSICS,
ASTRONOMY AND ASTROPHYSICS AND NONLINEAR DYNAMICS

CALL FOR EXPRESSION OF
RESEARCH INTEREST BY SCIENTISTS

The Programme Advisory Committee (PAC) on Plasma, High Energy, Nuclear Physics, Astronomy and Astrophysics and Nonlinear Dynamics intends to evolve innovative, focused and pro-active programmes to widen the base of research in these areas in the country. In order to achieve this goal, it is important to get a concrete and clear picture of the size of the research community in the country interested in pursuing research in these areas, their funding requirements and their expectations from the funding agencies.

All scientists in the country, active in research in these areas, or desirous of resuming or starting research work in these areas, are requested to submit a brief (2–3 pages) ‘Statement or Expression of Research Interest’ in the following format by 31 July 2005 at the mailing and/or e-mail addresses given below.

The Committee earnestly appeals to all researchers in the above areas to vigorously respond to this call so that realistic measures can be planned to widen the base of research in these areas in the country in future.

FORMAT

1. Name :
2. Designation :
3. Affiliation :
4. Address :
5. E-mail :
6. Research area/s of interest :
7. Brief description of the research problems of interest :
8. Brief biodata with 10 most significant publications :
9. Nature and magnitude of research funding desired :
10. Other expectations from funding agencies, if any :
11. Names of other researchers in these areas in your institution :
12. List of projects already received from funding agencies, if any :
