

REFRESHER COURSE ON ADVANCED TOPICS IN CHEMISTRY

sponsored by

Indian Academy of Sciences, Bangalore

at

Lady Doak College (Autonomous), Madurai, Tamil Nadu

7–20 November 2006

A Refresher Course on '**Advanced Topics in Chemistry**' for college/university teachers will be held at Lady Doak College, Madurai 625 002 during 7–20 November 2006.

The aim of the Refresher course is to enrich the knowledge of teachers in the following proposed topics and enable them to teach the subject to graduate students effectively.

- Solid State Chemistry and Nanomaterials
- Electron Transfer Processes at Interfaces and Catalysis
- Green Chemistry
- Photochemistry and Spectroscopy
- Theoretical Chemistry
- Bioinorganic Chemistry

The Course will have both lecture and laboratory sessions.

Teachers who wish to participate in the Course should send their brief curriculum vitae (including name, date of birth, e-mail and postal address, educational qualifications, teaching experience, course taught, positions held, telephone numbers, etc.) along with a brief write up as to why they would like to participate in this course, through the Head of the Institution/University, to

Dr R. Ramaraj
Course Director

Refresher Course on 'Advanced Topics in Chemistry'

Centre for Photoelectrochemistry
School of Chemistry, Madurai Kamaraj University
Madurai 625 021
Phone: 0452-2459084 (O), email: ramarajr@yahoo.com

Selected participants (up to 35) will be provided local hospitality and actual train fare (three-tier A/C) or bus fare by the shortest route. Preference will be given to teachers below 45 years of age.

For further information, applicants may contact the Course Coordinator

Mrs Kalaneethy Christopher
Course Coordinator

Head, Department of Chemistry
Lady Doak College, Madurai 625 002
Phone: (0452) 2530527, 2524575. email: chemldc@rediffmail.com

Last date for receipt of application: 31 July 2006.
