High Energy Nuclear Physics Laboratory, Department of Physics
University of Rajasthan, Jaipur 302 004

Advertisement for Recruitment of Research Personnel

Applications are invited for the two purely temporary posts of Research Associates for a period of 2 yrs in the BRNS funded Research Project entitled “Development of Neutron Facility for Physics Experiments and Cascade Code for Design and Modelling of Accelerator Driven Sub-Critical System”. Candidates with a Ph.D. in Physics or M.Tech. in physics with two years of experience in handling Detector Electronics are eligible to apply.

Experience in handling Detector Electronics and Data Acquisition System for Data processing with knowledge in electronics is necessary. The selected candidates have to assist the investigator in the experiments related to Time of Flight Measurement and writing software related to ADS. The position carries a fixed remuneration of Rs 11,000 pm for RA-I and of Rs 11,500 pm for RA-II.

Note: If suitable candidate is not available for ‘Research Associate’, the candidates with M.Sc. in Physics (with min. 55% marks) or B.Tech. in computer science or Electronics with experience of writing software will be considered for a position of JRF on a fixed salary of Rs 8000 pm. Candidates having NET/GATE experience in the related field shall be preferred. All the posts carry HRA and MA as per university rules.

The eligible candidates may send their applications on plain paper (with a recent passport size photograph) along with complete Biodata and attested copies of relevant certificates to Dr V. Kumar, Principal Investigator (PI), BRNS Project, Department of Physics, University of Rajasthan, Jaipur 302 004 within 10 days from the date of publication of this advertisement. No TA/DA will be paid for attending the interview.

INDO-GERMAN PROJECT-BASED PERSONNEL EXCHANGE PROGRAMME:
DST–DAAD PPP – 2007

CALL FOR PROPOSALS

Proposals are invited from Scientists and Faculty of R&D and academic institutions for joint support by Department of Science & Technology (DST) of India and the German Academic Exchange Service (DAAD) of Germany for Collaborative Research Project based exchange visits of scientists/academicians/research scholars under the abovementioned Indo-German (DST–DAAD PPP) – 2007. This programme, in addition to collaborative research activities among scientists, lays special emphasis on further academic training and specialisation of young scholars. The projects selected for support under the programme will commence from 1 June 2007.

Details of the programme, including guidelines and applications format may be downloaded from Internet website: www.dst.gov.in, www.stic-dst.org

The last date for receipt of completed applications in DST is 30 November 2006.
