India–Japan Cooperative Science Programme (IJCSP)

Call for Proposals – 2007

Deadline for submitting Proposals: 1 November 2006

The Department of Science and Technology (DST), Ministry of Science and Technology, Government of India, New Delhi and the Japan Society for the Promotion of Science (JSPS) conduct the India–Japan Cooperative Science Programme (IJCSP) to promote bilateral scientific collaboration between Indian and Japanese scientists. Applications are invited from eligible Indian researchers/scientists to submit proposals for joint projects and joint workshops under IJCSP.

Area of cooperation: The support is available to the following scientific areas:

- Molecular Structure, Dynamics and Molecular Materials including Supramolecular Science
- Advanced Materials, including Polymers and Nano-materials
- Modern Biology and Biotechnology
- Manufacturing Sciences
- Astronomy and Astrophysics
- Surface and Interface Science including Catalysis
- Tsunami (only joint projects)

Who can apply: The joint application must include one Indian and one Japanese Principal Investigators, who would be responsible for technical as well as administrative co-ordination of the project and its periodic scientific and financial reporting to the DST/JSPS respectively.

The Principal Investigator (PI) and other investigators in India should be scientists/faculty members working in regular capacity in UGC recognized University/Deemed Universities/Academic Institutes and National Research and Development Laboratories/Institutes. It is preferred that a member of the project team may be designated as Co-PI.

The Japanese PIs must be full time researchers employed at Universities or other research Institutions recognized by JSPS. Further details in respect of Japanese participants JSPS website (www.jsps.gov.jp) may be referred to.

Kind of support available: DST provides the following support under the Programme:

For Indian Researchers – Cost of international airfare to and from the designated research location, visa fee, airport taxes, overseas medical insurance premium for the approved visit duration and airport transfers in India. In addition, for joint projects, incremental costs may also be considered for support as per norms towards consumable/contingencies. For joint workshops/seminars to be organized in India, local travel cost of selected Indian participants and organizing expenses may also be considered for support as per DST norms.

For Japanese Researchers – Costs of accommodation in a guest house or 3 star hotel, per diem and domestic travel expenses in India including airport transfers as per DST norms.

Processing: The formats for joint projects/seminar proposals and other details are available at the website: www.stic-dst.org.in or www.dst.gov.in. Ten copies of the proposals may be submitted by Indian researchers in the prescribed format on or before the given deadline through proper channel to:

Dr Naveen Vasishta, Scientist, International Division, Department of Science and Technology, New Mehrauli Road, New Delhi 110 016, India

Japanese Principal Investigators need to submit proposals with a matching research/seminars plan to JSPS simultaneously.

Japanese Researchers are requested to contact JSPS for their application, submission period, documents to be submitted, etc. The website: <https://www.shinsel.jsps.go.jp/jsps1/kikanlist.do> (available only in Japanese) may be referred for details.
