Indo-French Research Collaboration: Postdoctoral Fellowship

A two-year postdoctoral position is available as part of a collaborative research project Spin Transition in Fe(II) & Cyano-Bridged Molecular Magnets between Laboratoire de Magnétisme et d’Optique CNRS-Université de Versailles, 780 35 Versailles, France and Department of Chemistry, Indian Institute of Technology Kanpur, funded by the Indo-French Centre for the Promotion of Advanced Research (IFCPAR/CEFIPRA). The project involves synthesis, magnetic, photomagnetic and Mössbauer spectroscopic measurements and their numerical simulations/theoretical analysis. The candidate will be working in France and will participate in the measurements and analyses of data. Applicants with interest and/or expertise in one or more of these aspects are encouraged to apply. The position is full-time for a period of two years, starting from October 2006. Initially it will be for a period of one year, subject to renewal based on performance. A salary of 1850 Euros per month will be provided by the IFCPAR/CEFIPRA.

Please send your Curriculum Vitae to Prof. F. Varret, France (fvarret@physique.uvsq.fr) or Prof. R. N. Mukherjee, India (rnm@iitk.ac.in).
