Tamil Nadu Agricultural University  
Coimbatore 641 003  
Short term training course  
Advances in Molecular Techniques for Genetic Improvement of Crops with reference to Resistance to Biotic and Abiotic Stresses

The Centre for Plant Molecular Biology, Tamil Nadu Agricultural University, with the support of Department of Biotechnology, organizes a training programme on ‘Advances in Molecular Techniques for Genetic Improvement of Crops with reference to resistance to biotic and abiotic stresses’ between 20 February and 12 March 2007. The objective of the course is to provide hands-on training to young researchers interested in the field of plant molecular biology and biotechnology. The training course is intended for researcher/scientists (below 45 years of age) actively working in any field in agriculture which require plant molecular biology skill. A total of 15 participants will be selected for the programme. The participants are required to meet the expenses on travel, boarding and lodging through their sponsoring organizations. Accommodation will be arranged in the University teachers’ hostel on payment basis. The completed application should be sent through proper channel latest by 12 January 2007.

Application format: 1. Name (Prof./Dr./Mr./Mrs.); 2. Designation; 3. Address of the institution; 4. Correspondence address; Telephone No./E-mail; 5. Date of birth (DD/MM/YY); 6. Educational qualification; 7. Area of specialization; 8. Teaching/Research experience.

Place: 
Date: 
Signature of the applicant

It is certified that the above information furnished by the candidate has been verified with the office records and found correct.

Signature and Designation of the sponsoring authority with office seal

Application should be sent to: The Director, Centre for Plant Molecular Biology, Tamil Nadu Agricultural University, Coimbatore 641 003  Phone: 0422-5611282, 462, 353, 453  Fax: 0422-243 1672  e-mail: directorcomb@tnau.ac.in
