

Indian Academy of Sciences elects new Fellows – 2006

Rakesh Aggarwal, All India Institute of Medical Sciences, New Delhi

A. Ajayaghosh, Regional Research Laboratory, Thiruvananthapuram

Sunil Bajpai, Indian Institute of Technology, Roorkee

V. Balaji, Chennai Mathematical Institute, Chennai

Archana Bhattacharyya, Indian Institute of Geomagnetism, Navi Mumbai

Atish Dabholkar, Tata Institute of Fundamental Research, Mumbai

Rajesh Sudhir Gokhale, National Institute of Immunology, New Delhi

Anil Grover, University of Delhi South Campus, New Delhi

P. K. Gupta, Centre for Advanced Technology, Indore

Sanjay Jain, Department of Physics, University of Delhi, Delhi

Ashok Jhunjhunwala, Indian Institute of Technology, Chennai

Chanda J. Jog, Indian Institute of Science, Bangalore

Vishwa M Katoch, Central Jalma Institute for Leprosy & other Mycobacterial Diseases, Agra

Anuradha Lohia, Bose Institute, Kolkata

Sanjay Mittal, Indian Institute of Technology, Kanpur

Dipak Kumar Palit, Bhabha Atomic Research Centre, Mumbai

Jaikumar Radhakrishnan, Tata Institute of Fundamental Research, Mumbai

Mythily Ramaswamy, TIFR Centre, Bangalore

P. N. Rangarajan, Indian Institute of Science, Bangalore

Parameswaran Sankaran, The Institute of Mathematical Sciences, Chennai

Debi Prasad Sarkar, University of Delhi South Campus, New Delhi

Sandeep Sen, Indian Institute of Technology, New Delhi

L. S. Shashidhara, Centre for Cellular & Molecular Biology, Hyderabad

S. Satheesh Chandra Shenoi, National Institute of Oceanography, Dona Paula

Harkesh B. Singh, Indian Institute of Technology, Mumbai

Narayanaswamy Srinivasan, Indian Institute of Science, Bangalore

Musti J. Swamy, University of Hyderabad, Hyderabad

Qudsia Tahseen, Aligarh Muslim University, Aligarh

Usha Vijayraghavan, Indian Institute of Science, Bangalore

Veejendra K. Yadav, Indian Institute of Technology, Kanpur

Honorary Fellows

David J. Gross, Kavli Institute for Theoretical Physics, University of California, California, USA

Yoseph Imry, The Weizmann Institute of Science, Rehovot, Israel

K. C. Nicolaou, The Scripps Research Institute, University of California, California, USA
