REFRESHER COURSE ON ‘ADVANCES IN BIOPHYSICS’

Sponsored by
Indian Academy of Sciences, Bangalore

in collaboration with
Centre for Cellular and Molecular Biology, Hyderabad

May 25–June 8, 2007

A Refresher Course on ‘Advances in Biophysics’ for postgraduate college and university teachers will be held at the Centre for Cellular & Molecular Biology, Hyderabad for a two-week period during May 25–June 8, 2007.

Biophysics today uses concepts and methods from physics and chemistry to elucidate the workings of biological processes at molecular, cellular, and organismal level. This course will introduce teachers of biophysics in postgraduate courses to some of the recent advances in biophysical theory and techniques. The aim is to expose the multi-faceted nature of biophysics with lectures, demonstrations, and laboratory sessions.

Postgraduate college and university teachers who wish to participate in this Refresher Course should submit their brief curriculum vitae (including name, date of birth, sex, educational qualification from B.Sc. onwards, postgraduate teaching experience, courses taught, positions held, postal and email addresses with phone numbers, etc.), along with a brief write-up as to why they would like to participate in this course, and their expectations from the course. A participation approval letter from the head of the department/relevant authority must accompany the applications.

Preference will be given to teachers below 45 years of age. Selected participants will be provided local hospitality (in twin-share basis) and round trip bus and train fare (3-tier AC) by the shortest route.

Course Directors: Dr Ch. Mohan Rao and Dr Somdatta Sinha

Applications may be sent to:
