University of Pune
Department of Botany

Appointment of JRF in Botany

Applications are invited on plain paper for the post of Junior Research Fellow (JRF) – One Post, on purely temporary basis in the Research Project entitled ‘Biochemical characterization, molecular genotyping and Agrobacterium-mediated transformation studies in Indian Pandanus amaryllifolius Roxb. Clones’, funded by Department of Atomic Energy, Board of Research in Nuclear Sciences (DAE–BRNS), Bhabha Atomic Research Centre, Trombay, Mumbai 400 085. The appointment is for 3 years. The salary for appointed JRF will be Rs 8000 + HRA (as per the University rules) per month. The essential qualifications are M.Sc. in Botany/Life Sciences or equivalent with First or Higher Second Class. Preference will be given to the candidate familiar with Plant Transformation and Molecular Biology Techniques.

Application with complete bio-data along with attested copies of all the necessary certificates should reach to Dr A. B. Nadaf, Department of Botany, University of Pune, Pune 411 007 on or before 15 May 2007.

All the applicants must appear for an interview on 18 May 2007 at 11:00 am at the Department of Botany, University of Pune. No separate call letter for the interview will be issued. No TA/DA will be given to the candidates for attending the interview.
