

LNJ BHILWARA RESEARCH FELLOWSHIP

Applications/nominations are invited for 'LNJ Bhilwara Research Fellowship' a fellowship newly instituted by **LNJ Bhilwara Group**. The primary objective of the fellowship is to promote the research in the field of Nanotechnology, Biotechnology and Space science for the welfare of the society particularly in context of national needs and conscience.

The fellowship is for the scientists working in India in the following broad areas:

- **Nanotechnology**
- **Biotechnology**
- **Space-Sciences**

1. The applicant should possess a higher degree such as Ph D or equivalent in Nanotechnology, Biotechnology and Space Sciences and allied fields. The duration of the fellowship will be for a period of three years, extendable by another 3 year.
2. The amount of fellowship will be of Rs 25,000 per month for the first three years, extendable by another three years.
3. The other expenses like contingency, travel, library, lab supplies, etc. will be borne by the institute where the Fellow will carry out his project. The institute will provide a certificate to this effect.
4. The LNJ Bhilwara Research Fellow could work in any of the recognised scientific institution/universities in the country.
5. The outcome of the research work in the form of publications/patents/technology transfer, etc. will be the property of the Fellow/sponsoring institute. However, acknowledging the financial help from LNJ Bhilwara Group will be mandatory.
6. The progress of the work will be monitored on six monthly basis. In case of unsatisfactory progress the Fellowship will be liable to be discontinued.
7. Nominations/applications should be send by post or email to:
