## Indo-US Research Fellowships for

# Indian Researchers

In an effort to augment scientific excellence in emerging areas of science and technology, the Indo-US Science and Technology Forum (IUSSTF) in association with Science and Engineering Research Council (SERC) of Department of Science and Technology (DST), announces the Indo-US Research Fellowships. The objective of the fellowship is to enable young researchers from India to carry out research in frontier areas of science and technology at a premier institution in USA. The fellowship will enable early and mid career Indian researchers to acquaint themselves with new scientific research methods and at the same time build strong collaborative linkages between the scientific communities of US and India.
