INDIAN INSTITUTE OF ASTROPHYSICS
BANGALORE 560 034, INDIA

The Director, IIA invites applications from exceptionally bright candidates with outstanding academic credentials for the award of Chandrasekhar Post-Doctoral Fellowships in all areas of astronomy and astrophysics. The fellowship is for a period of two years with a possibility of an extension for one more year. Candidates should be ordinarily below the age of 32 years. The monthly stipend is Rs 25,000 for the candidates with 2 years post-doctoral experience and Rs 30,000 for those with more than 2 years experience. Chandra Fellows would be entitled to an annual contingency grant of Rs 100,000, as well as to housing, medical and other benefits in accordance with the rules of the institute. Travel support by economy air fare will be available at the time of taking up the assignment. Chandra Fellows may choose their own research topics or collaborate with groups or individuals in the institute.

Application may be sent to pdf_chandra@iiap.res.in along with a curriculum vitae, list of publications, names and addresses of five referees, research proposal, on or before 30 November 2007. More details can be found at www.iiap.res.in
