Admission for Research Scholars Program-II – 2007

The CDFD (Centre for DNA Fingerprinting and Diagnostics) Hyderabad, is a premier institute in the country, which provides services in DNA Fingerprinting and Diagnostics and conducts basic research in different areas of modern molecular and cellular biology. The main themes of research at CDFD area:

- Genetics
- Molecular and Cellular Biology
- Molecular Pathogenesis
- Computational and Structural Biology
(The details are listed on our website www.cdfd.org.in)

We invite applications from highly motivated candidates, willing to take up challenges in modern biology, for admissions to our Research Scholars program. Keeping in view the interdisciplinary nature of modern biology, we especially encourage persons from diverse backgrounds to apply. Those admitted as Research Scholars would be encouraged to apply for the Ph.D. program of Manipal University or University of Hyderabad.

Eligibility: MBBS or Masters degree in any branch of Science, Technology, or Agriculture. Candidates (other than MBBS graduates) must have cleared the CSIR/UGC/DBT/ICMR/ICAR NET for JRF. Those who have appeared, but are awaiting results, are also eligible to apply. However, only those candidates will be considered who produce proof of having cleared the CSIR/UGC/DBT/ICMR/ICAR NET JRF except for MBBS. Admission to CDFD-Research Scholars program is based on a 2-tier system involving a written test followed by interview of candidates who have qualified the written test.

From the current Academic year, CDFD is pleased to announce up to two research fellowships for the candidates with MBBS. The admission procedure will remain the same.

In the case of candidates whose JRF examination results are announced after 16 November but before 10 December 2007 they will be eligible to appear for the CDFD examination upon furnishing the relevant details of having cleared the JRF/NET with fellowship.

Applications on plain paper as per the format displayed on our website should be sent to Admissions Co-ordinator, Academic Cell, CDFD, Gajipada, Hyderabad 500 075. Applications may also be made on-line through our website (www.cdfd.org.in). The last date for applications to reach CDFD is 16 November 2007. The list of eligible candidates will be displayed on our website by the middle of November 2007. No individual intimation letter would be sent.

Eligible candidates will be called for written examination at CDFD followed by interviews during 13 and 14 December 2007 for which no TA/DA will be paid. Director, CDFD reserves the right to accept/reject any or all applications without assigning any reasons whatsoever.

Ch. Charan Singh University, Meerut
Department of Genetics and Plant Breeding

Applications are invited for a position of Junior Research Fellow (JRF) under the Department of Biotechnology (DBT) project entitled ‘Analysis of Host–Pathogen Interaction in Leaf Rust Infection of Wheat: A Transcriptomic Approach’.

Stipend : Rs 12,000 + HRA for the first two years and Rs 14,000 + HRA for the 3 year.

Qualification : Candidate should be M.Sc./M.Sc. (Agri.) in the area of plant sciences.

Candidates having practical experience in molecular biology techniques would be preferred. Interested candidates should send their biodata to Prof. H. S. Balyan latest by 13 November 2007 and attend the interview on 15 November 2007 at 10.00 a.m. in the Department of Genetics and Plant Breeding, Ch. Charan Singh University, Meerut 250 004. Candidates must bring their original documents at the time of interview. No interview letters will be issued and no TA/DA will be paid.
