School of Materials Science and Engineering (SMSE)  
Bengal Engineering and Science University, Shibpur (BESUS)

Two JRF Positions in DST-Nano Science and Technology Initiative (NSTI)  
Project entitled: 'Microscopic Investigation of Luminescence and Mechanical Properties of Nanostructured Porous Silicon'.

Applications are invited on plain paper with an updated CV and photograph for two JRF positions (Rs 12,000 + HRA pm as per revised guidelines on emoluments and other conditions of service for research personnel, DST) for a period of three years. On successful completion of the first two years, SRF position will be offered.

Eligibility: M.Sc. in Physics/Chemistry with a minimum of 55% along with NET/GATE in the relevant subject, or, B.E./B.Tech. in Materials Science/Metallurgy/Electronics with a first class degree along with GATE qualification.

Applications should reach: Prof. N. R. Bandyopadhyay, Principal Investigator and Director, School of Materials Science and Engineering, Bengal Engineering and Science University, Shibpur, Howrah 711 103, within 15 days from date of publication of this advertisement.

For informal enquiries contact, mray@matsc.becs.ac.in, nrb@matsc.becs.ac.in

Apply with testimonials. Date of interview will be notified after initial screening. No TA/DA will be paid for attending interview.
