Indo-Swiss Joint Research Programme (ISJRP)

Call for Proposals

Proposals for joint research activities are invited from scientists and researchers of India and Switzerland for support under Indo-Swiss Joint Research Programme (ISJRP) for the period 2008–2011 being implemented by the Department of Science & Technology (DST) and Secretariat for Education & Research (SER) and National Science Foundation (SNSF), Switzerland.

Identified priority areas are as below:

- Information and communication technologies
- Material sciences and nanotechnologies
- Human health sciences
- Sustainable urban development
- Renewable energy sources

The duration of the joint activities ranges from 2 to 3 years. The funding will be towards:

- o Hiring of Research Fellows
- o Travel and living expenses of scientists and researchers between India and Switzerland
- o Consumables and contingency
- o Fellowship
- o Overhead charges, etc.

Full details and applications formats can be downloaded from the internet website: www.dst-stic.org or www.dst.gov.in under 'what's new column'.

Deadline for submission of completed applications is **31 March 2008**
