EKAVYA INVITES APPLICATIONS

EKAVYA (Institute for Educational Research and Innovative Action, Madhya Pradesh) is a premier educational NGO with more than two decades of engagement with innovative curriculum and teacher development, science literacy and questions of social justice in education in India. Landmark educational programmes like the Hoshangabad Science Teaching Programme (HSTP), Prashika (Primary Education Programme) etc. were housed and developed in Ekavya. Ekavya has been involved with NCERT and other state boards in curriculum and textbook development and brings out periodicals and books for children and adults.

Ekavya is looking for highly competent and socially committed persons to work in curriculum and teacher development, outside school engagement and publications. (figures in parentheses are number of posts for each requirement)

Please send us:
- Your bio-data (personal information: information regarding socio-economic background [optional]; educational qualifications; work experience; two references, etc.)
- Up to three published articles/papers
- A write-up on any science/mathematics/other topic of your interest
- A write up on your experiences of learning in school/college
- Anything else of relevance to the above

Note:
- Preference will be given to SC/ST candidates.
- Salary will be commensurate with abilities, qualifications, experience etc.
- Candidates may be posted in any of Ekavya’s field centres in M.P.
- You can also apply for short-term/part-time association.

You may also send your application through email to: recruitment@ekavya.in

If you need any other information, please get in touch with Shri V.K. Chavhan at 0922951546 between 2:00 pm to 6:00 pm

Application should reach within 15 days of publication of advertisement.
