Applications should reach Prof. P. Maruthi Mohan, Principle Investigator, DAE-BRNS Project, Department of Biochemistry, Osmania University, Hyderabad 500 007, by 30 June 2007. The application should be accompanied by a DD of Rs 10 drawn in favour of 'Registrar, Osmania University, Hyderabad'. No TA/DA will be paid to candidates.

Department of Biotechnology
School of Bioengineering
SRM University, Chennai

Junior Research Fellow (JRF)

Applications are invited for the post of one Junior Research Fellow for the project entitled ‘Modulation of Neural-Immune Signaling by Estrogen in Reproductive Aging’ funded by the Department of Science and Technology (DST), Govt of India.

Qualifications: M.Sc./M.Tech. in Biotechnology, Life Sciences, and Biochemistry with consistently good academic record and motivation to work in the fields of neuroendocrinology and immunology are encouraged to apply. Experience in molecular biology and willingness to work with laboratory animals are desirable.

Project duration: 3 years
Emoluments: Rs 12,000 per month for the first two years + HRA and Rs 14,000 per month for the third year + HRA.

The selected candidates will be able to register for Ph.D. in SRM University. Apply by e-mail or post with a detailed curriculum vitae within 15 days of appearance of this advertisement. To learn more about the SRM University log on to www.srmuniv.ac.in. Send your application to S. Thyagarajan, B. V. Sc., Ph.D.
